PART 7 – LETWILC REN SEMEC CENTRE RECOVERY HOME GUIDELINES

There is a set of Program Guidelines that reflect respect, consideration, and self-responsibility. Letwilc Ren Semec Centre considers these to be three essential components for recovery and self-empowerment. The guidelines ensure your physical, mental, emotional, and spiritual safety to allow you the freedom to participate fully in the program in a safe and supportive environment.

All Residents are expected to be actively engaged in all areas of the program, as this will increase the chances of remaining substance-free, foster a heightened sense of connection/belonging, and support the development of holistic well-being.

This includes, but is not limited to:

- Remaining substance-free
- Willing to engage and commit to and in the development of your individualized service care plan
- Participate in mandatory programming as required
- Access appropriate resources for physical and/or mental health care
- Participate in individual and group counselling
- Address your financial, legal, self-care, and daily living needs as outlined with your Life Skills Worker

ALCOHOL AND DRUGS

- LETWILC REN SEMEC CENTRE has zero tolerance for the possession or use of alcohol or non-prescribed drugs by residents on the property. Immediate dismissal from the Recovery Home may result.
- A personal baggage check will be conducted upon initial entry into the Post Recovery Program. Subsequent baggage or room checks may be conducted if there is suspicion of non-compliance with resident guidelines.
- Resident Clients may be asked to submit to a urine test upon entry and/or when returning from time away from the Recovery Home.

PHONE CALLS

- Phone calls are to be made outside of program times. You will not be called from session for personal calls. In the event of an emergency, your counsellor will inform you immediately. Personal messages are posted at the Recovery Home office or on the bulletin board at the residence.
- Checking for mail: Tuesday and Friday. Check for mail after 4:00 pm at the Recovery Home office or Life Skills Worker (LSW) office.

HEALTH AND SAFETY

- ABSOLUTELY no smoking in any buildings. Smoking is permitted only in designated smoking areas, using ashtrays for disposal and extinguishment. This includes all smokeless and chewing tobacco products. Smoking areas are to be maintained and kept clean by those who use them.
- Please ask a staff person for assistance if you wish to smudge your sleeping area.
- All medication must be turned in to the Life Skills Worker (LSW) at intake. Access to medication will be provided by the Nurse or LSW. All medications brought into or obtained during your stay will be monitored. You will self-administer your medications, which will be recorded on your individual resident medical form. The Resident Nurse will review and record all current prescriptions as required.

OTHER

- A high standard of personal hygiene is required. Appropriate dress code is required (shirts worn at all times; day wear clothing required in common areas). Modest attire is an expectation in your recovery. Staff will assist if this is an area of concern.
- Laundry facilities are available for your use.
- Resident conduct is expected to be respectful and mindful of all in residence. Communal living requires cooperation, communication, consideration of others, and a willingness to work together. Common areas are provided for use by all residents.
- Daily upkeep of your assigned room is a personal responsibility and required. Sleeping areas are private quarters.
- No visiting in another resident's room or inviting others into your room is permitted.
- No unsupervised group/circle work at any time. No "counselling" of other residents.
- If you have your own vehicle, you are expected to take responsibility for asserting your boundaries/limits with others as needed.
- Clients are not to sell items to each other or to staff.
- Clients in LRSC's regular residential treatment are not permitted in the Recovery Home setting.

NOTE: The alternate contact person is for confirmation or admission processing only – the alternate contact will not be included in the release of confidential information prior to, during or after POST RECOVERY PROGRAM. The Resident Client may change or revoke this release at any time by giving notice to LETWILC REN SEMEC CENTRE in writing. It is up to the Resident Client to inform their referral worker of the change. This form is applicable for one year after the date signed unlessrevoked.

RESIDENT CLIENT NAME	DATE OF BIRTH

VISITORS

- Visitors are not allowed at the Recovery Home residence until a full month of stay is completed.
- Preferred arrangements for visits and/or visitors are to be made off-site in the community.
- Visiting hours are from 1:00 p.m. to 4:30 p.m., Saturdays and Sundays. Visitors must sign a Visitor Confidentiality Agreement Form on their first visit.
- Visits must occur in common areas of the residence. This ensures the anonymity of other residents and the safety of all.
- No visitors are permitted in individual resident rooms.
- Visitors under the influence of alcohol or drugs are prohibited from the Centre grounds. LETWILC REN SEMEC CENTRE is committed to providing an alcohol- and drug-free environment for residents, staff, and visitors.
- Any children (under 16 years of age) visiting must be accompanied and supervised by an adult (other than the resident) at all times. Visitation with children off-site is encouraged where possible.

COMMUNAL LIVING ESSENTIALS

- Actively participate in assigned household chores and group activities.
- Assist in keeping all areas of use and common areas clean, tidy, and well maintained.
- Respect each other and differences, including diversity and varying levels of recovery.
- Observe curfew hours to ensure adequate rest as part of daily routine.
- Utilize recovery skills learned to resolve conflict and/or problem solve.
- Encourage support and participation in the resident group when appropriate.

RESIDENT DISCHARGE

Withdrawal or dismissal from the program requires prompt exit from the premises. Residents may be asked to wait at the Administration building while arranging transportation, as the program requires immediate exit.
Resident discharge will occur if a resident:

- Has willfully caused injury to another person, including violence toward residents or staff (physical, excessive verbal or emotional abuse, threats, intimidation, sexism, racism, or harassment).
- Is in possession of, or uses, alcohol at the facility.
- Becomes involved in an intimate relationship with another resident and is unwilling to end the relationship.
- Is non-compliant with prescribed medication.
- Is non-compliant with LETWILC REN SEMEC CENTRE guidelines or programming.

DISCHARGE OR COMPLETION OF THE PROGRAM

- Residents who complete the supportive recovery program or voluntarily leave or are discharged must be mindful and considerate of ongoing contact with residents still in session.
- Ongoing support must align with peers' long-term recovery objectives, be consensual, and not interfere or distract from recovery. LETWILC REN SEMEC CENTRE may intercept incoming mail, email, or calls from past residents or anyone attempting to interfere with another's program.
